

Amendments to the specification

Please insert the following paragraph on page 1 after Title of the Invention section of the as-filed specification:

The CD containing “Cura 557 US Seq List.txt” is herein incorporated by reference. This file was created on February 15, 2007. It is 3.05 MB in size.

Please replace, at the end of the specification, the sequence listing filed on December 13, 2002 with the substitute sequence listing submitted herewith.
